

Now Hiring

Finance Director and Seasonal Parks & Landscape Maintenance Laborer

The City of Oakley is now recruiting for an experienced Finance Director and Seasonal Parks & Landscape Maintenance Laborer.

After 10 years of service to the City of Oakley, our current Finance Director, Paul Abelson will be retiring. We're looking for someone to fill these shoes and assume this important role. Under the general administrative direction of the City Manager, the Finance Director will plan, organize, and direct the financial activities of the City including accounting and financial reporting, treasury and investment management, debt management, operating and capital budgeting, payroll, business licensing, purchasing, and information technology. The final filing date for this position is by Friday, July 24, 2015 at 5:00 p.m.

The Seasonal Parks & Landscape Maintenance Laborer, under the direction of assigned supervisory staff, will provide a variety of support functions in the areas of parks landscape, facility and street maintenance work. All interested candidates must submit a City of Oakley employment application by 5:00 p.m. on Wednesday, July 15, 2015.
