

## Mark Your Calendars for Passport to Science Week

---

The popular Science Week activities will be held daily, between April 16<sup>th</sup> and April 23<sup>rd</sup>. The upcoming program will include past favorites and exciting new workshops. Participants up to age 17 will receive a stamp on their "Passports" at each workshop they attend throughout the week. Participants with a minimum of 5 stamps at the conclusion of the Science Week program will receive a special prize; one winner per "Passport." Workshops are between 45- 60 minutes, child care is not provided and some workshops may require parent/adult assistance. For more information contact Cindy Coelho at [Coelho@ci.oakley.ca.us](mailto:Coelho@ci.oakley.ca.us) or at 925-625-7044. Passports will be distributed to the elementary schools to send home with the children and are also available at City Hall and will be available at each event.
