

Dear Parents,

Here it is! Your registration packet for next year! There have been some changes, one of which is the birthday cut-off date for Gwinnett County, which is now August 1st. Children must now be 5 years of age by August 1, 2016 in order to enter kindergarten. Therefore, your child must be the age of the class for which you are registering for our preschool by August 1, 2016. Please keep this in mind when choosing a class for your child/children.

The 2016 school year will begin on Monday, August 22nd with our “Meet and Greet” experience. This day is set aside for you and your child to come meet their teachers, other parents, and classmates, and receive a brief overview of your child’s daily activities.

School will begin for all children on Tuesday, August 23rd.

As you will note our excellent teacher/student ratio will remain the same. Also remaining the same are our school hours, 9:30 am – 1:30 pm.

If you have any questions, after reading over the attached information, please contact Kathy Slaton, 770-921-6263.

Register early then you can sit back, relax, and enjoy the remainder of this year and into the summer!

Blessings,

Kathy Slaton

2016 Preschool Class Offerings, Registration, and Monthly Tuition Fees.

Read each class description carefully, make your selection, complete the registration form, make your check payable to MPUMC Preschool, and return this information to your child's teacher. If registering more than one child, individual forms are required for each child BUT only one check is needed for each family.

Our registration is an ongoing event and begins upon your receiving of this packet. Your child's spot in our program, for next year, is confirmed upon completion and receipt of your check and completed form.

Reminder – August 1, 2016 is the new birthday cut-off date.

The registration and monthly tuition fees are the same amount, however, **ONLY** the registration fee needs to be paid when registering your child.
