Mobilize Eastern Maine

Maine Forest Economy Report
What you need to know about the productivity, health and safety of Maine’s forests.
Presented by Patrick Strauch, Maine Forest Products Council Executive Director

Join Mobilize Eastern Maine, the Bangor Region Chamber of Commerce and the Forest Resources Association NE Region Policy Committee for a luncheon focused on the important impact of this sector on our region’s economy.

Thursday, November 7
Noon to 1:30 p.m.
Sea Dog Conference Center
Bangor
$15 per person
Payment accepted at the door by cash, check or credit card

RSVP by November 5 to: jbrooks@emdc.org or 207.942.6389

Forestry Sector Fast Facts:
• Maine’s forest economy contributes $8 billion to our state’s economy
• 38,789 jobs in Maine are supported by the forestry sector
• $1 out of every $16 in Maine’s gross state product is associated with the forest products sector
• 1 out of every 20 jobs is associated with the forest products sector
• 89% of Maine is forestland—as much as when Europeans arrived in the 1600s
