Subject: **Rudolf Steiner Foundation, Your File #: 0252866**

Dear Ms. Daze,

Thank you for your letter of June 15, 2015.

The Directors of the Rudolf Steiner Foundation resolved to dissolve the charity during our teleconference meeting on July 7, 2015. We hereby voluntarily request revocation of its registered status due to inactivity.

I understand that you will now send the Charity Form T2051A, *Notice of Intention to Revoke a Charity's Registration*, as the next step. Once we receive and complete this form we will also complete the final tax return on form T2046. We plan to donate all property of the Foundation to an eligible donee during the wind-up period.

I can be reached at 416-505-4134, if needed.

Yours Sincerely,

Douglas Wylie,
Treasurer, on behalf of Council
