

# Tyler SIS Student 360 Mobile

## Overview

Tyler SIS Student 360 Mobile is a mobile phone app version of the Tyler SIS Student 360 Parent Portal available on both iOS and Android. It can be downloaded from the Apple iTunes iOS App Store and the Google Play App Store.

The app is compatible with iPhones and iPads running iOS 7 or later and Android devices running Android 4.4 and later. While Tyler SIS Student 360 Mobile is compatible with larger devices, it contains a subset of the features available in the browser application. You can use the browser app on larger devices with Chrome on Android and Safari on iOS.

The Android and iOS versions are similar, but differences in hardware and platforms will result in slightly different appearances on some screens. Such differences are highlighted in this document.

## Installing Tyler SIS Mobile

Download Tyler SIS Student 360 Mobile from Apple iTunes or Google Play. The app is free.

- [iOS](#) (iPhone and iPad)

## Logging in

The first time you launch Student 360, you will be prompted to search for your district either by name or by ZIP code. If you select the wrong district or need to change districts, you will be able to

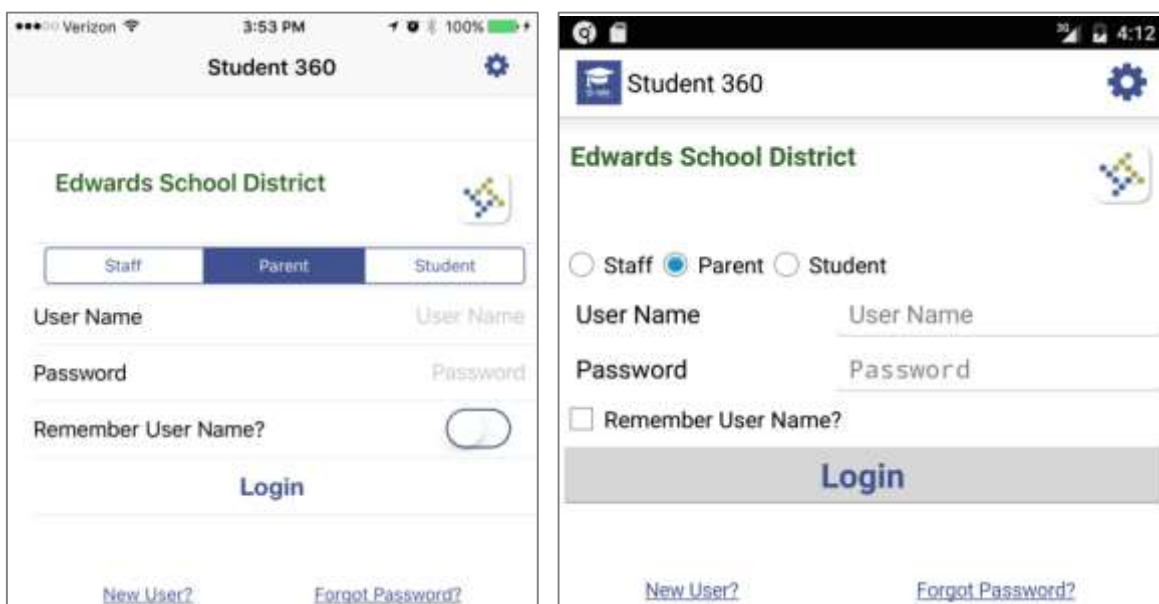

do so later from the Settings screen.

Not all Tyler SIS districts are using Student 360. If you downloaded this document from a district where you have no students enrolled, it is possible that you will not be able to find your district.

If for any reason you cannot find your district on the search screen, please wait until you receive an announcement from your district that Tyler SIS Student 360 is available. **Helias Catholic High School is currently not available.**

Upon tapping Continue, enter at least the first three letters of the district's name or the first three digits of the district's ZIP code. Tap the Search button to search for districts. Tap the district where your student is enrolled to proceed to the login page.

*Left: iOS, Right: Android*

At the top of the login screen, the gear icon provides access to the settings screen. To log in, use the radio buttons (Android) or tabs (iOS) to select Staff, Parent, or Student login. Use the same User Name and Password that you use to log into your current parent portal account and the Tyler SIS Student 360 Parent Portal website. Use the checkbox (Android) or toggle switch (iOS) to save your User Name if you want, then tap Login.

## ***Navigating Tyler SIS Student 360 Mobile***

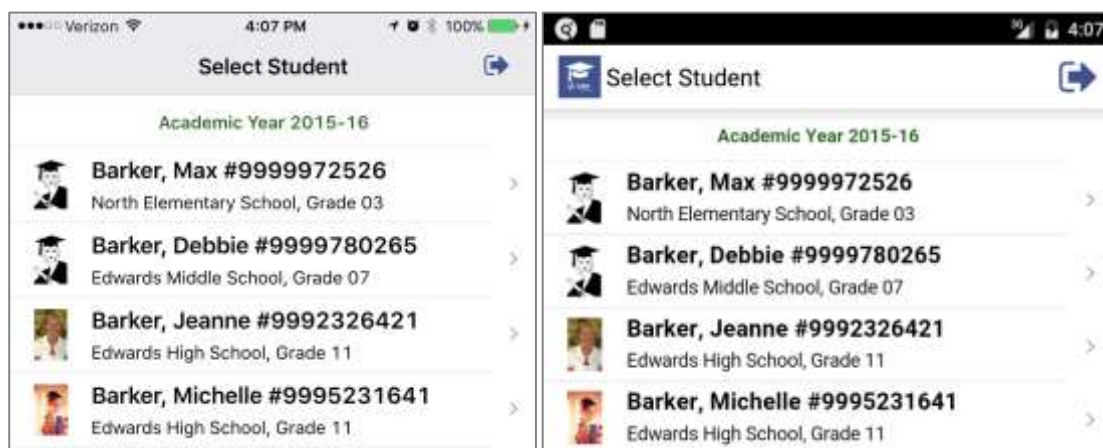

*Left: iOS, Right: Android*

Within Tyler SIS Student 360, the Top Bar of the application will have several icons that help you navigate the app.

-  - return to the list of students (hidden if only one student is found in the household)
-  - refresh the screen
-  - log out of Tyler SIS Student 360 Mobile.

Android devices have a built-in Back button, either at the bottom of the screen or as a hardware button on the device. Tyler SIS uses this built-in Back functionality to return to the previous screen. On iOS, since there is no Back button, a standard left-pointing arrow at the top of the screen with a label will take you back to the previous page.

## Student List View

*Left: iOS, Right: Android*

If you are logging in as a parent and your household has more than one student, the first screen will be the Student List view.

All of the actively-enrolled students will display with their photos (or a placeholder if their photo isn't in Tyler SIS) along with their name, grade level, enrolled school, and student number. Tap a row to see that student's Student Summary screen.

## Student Summary

The Student Summary screen shows all of the areas available in Tyler SIS Student 360 for the selected student. Note that some of these items may not appear if they are not enabled by your district.

At the top of the screen, the student's name, number, primary enrollment school, and grade level are displayed on the left, while the student's photo appears on the right.

Some tiles may appear yellow to indicate that there is an alert to see. In this case, the Attendance tile is yellow to indicate that the student was absent for all or part of the current day.

To see more detail about an area, tap the tile to be taken to that screen.

## Announcements

St. Peter Interparish School currently does not use this function.

## Assignments

The screenshot shows the 'Assignments' interface. At the top, there are two tabs: 'By Course' (selected) and 'Upcoming/Missing'. Below the tabs are two dropdown menus: 'ENGLISH III' and 'Term-3'. The main content area displays details for 'Test-1':  
Due: Wed 03/09/16  
Assigned: 03/08/16  
Percentage: 75  
Category: Test  
Possible Points: 48  
Earned Points: 36  
Below this, there is a '▼ Summary' link and a 'Midterm Exam' entry.

The Assignments screen has two views: Upcoming/Missing and By Course. Some assignments may display a color-coded status:

- Due tomorrow: green
- Due today: orange
- Missing: red
- No score yet recorded (not marked missing): blue

Term: Term-3  
**No Score Yet**

## Upcoming/Missing

The Upcoming/Missing view displays by default. This screen shows all assignments due in the past 30 days and those that will be due in the next 30 days in chronological order.

## By Course

On the By Course screen, use the drop-down selectors to pick the Course and Term you want to view. All assignments for that course that are due during the term display.

P4 Lunch	Semester 1	01	ADV CHILD DEV, CARE & GUIDANCE	E
P5	Semester 1	01	ACADEMIC CAREER LAB	E
P6	Semester 1	07	AMERICAN HIST	E
P7	Semester 1	01	MIXED CHOIR	E
P8	Semester 1	04	SEMINAR 11	E
► Thu 03/10/16	Absent	1 Period		

The Attendance screen shows all of the dates where the student was absent for all or part of the day. You can view the absences sorted By Date (Entire Year) or By Course Schedule for a specific term. Use the drop-down at the top to switch between views.

When viewing attendance By Date, each date is listed. Tap a date to see the courses where the student was marked absent. When viewing attendance By Course Schedule, tap a course and all of the dates where the student was marked absent in the course will display. Regardless of the view you choose, the period, term, and absence code will display.

Since we are a Primary School the Course Schedule shown for a day is the same for all students in the school. Students are not marked in each class but at the beginning of the day. If a student comes in late or leaves the office it changes the attendance. The actual class(es) they miss will be different per grade level.

<b>P1</b> BIOLOGY-07	Rm 301	Term Year ✉ <a href="#">Sligh E</a>
<b>P2</b> ENGLISH III-04	Rm 105	Term Year ✉ <a href="#">Sandiford J</a>

The Course Schedule screen shows the courses in which the student is enrolled for three time periods. Switch between these views using the tabs at the top of the screen.

- Today – shows only the courses that meet today
- Term – shows only the courses that meet in the current term
- All – shows all courses on the student’s schedule

Each course displays with the room number, term, name, and teacher. If the teacher has an email address, an ✉ icon appears and the name will be underlined. Tapping a teacher’s name will start an email to the teacher.

The Course Schedule screen shows the courses the student is enrolled in. For St. Peter students switching between today, term and all is not going to make a difference because the student is enrolled in the same classes all year.

P1	BIOLOGY	✉ <a href="#">Sligh E</a>	 D-
P2	ENGLISH III	✉ <a href="#">Sandiford J</a>	 F
P3	GEOMETRY	✉ <a href="#">Griffing C</a>	 B-

The Grades screen shows all report card grades for the student. Each course displays with its name, the period it meets, the teacher, and the term grade. If the teacher has an email address, an ✉ icon appears and the name will be underlined. Tapping a teacher's name will start an email to the teacher.

Use the Term drop-down to select a term. Grades that are calculated from in-progress gradebook scores display in green, while posted grades for past terms display with no highlight.

This is only effective for grades 3-8. Since grades K-2 use objective grades, they will not be visible on the portal.
