

**MEMORANDUM**

**TO:** High School Principals

**FROM:** Dr. Valerie Truesdale, Chief Technology, Personalization and Engagement Officer  
(Contact, 980.344.0023 [valeriep.truesdale@cms.k12.nc.us](mailto:valeriep.truesdale@cms.k12.nc.us))

**DATE:** September 9, 2015

**SUBJECT:** IT-oLogy's Cyber Saturday schedule for high school students

We are indeed fortunate in Charlotte-Mecklenburg Schools to have support from business and community partners in providing enrichment opportunities for our students. Non-profit partner IT-oLogy is in its third year of helping to build the pipeline of youth interested in careers in the technology industry. This group provides Cyber Saturdays throughout the school year and supports Day of Code and other activities. The schedule for Cyber Saturdays for high school students is attached.

Thank you for making this information available for students and staff.

## High School Calendar
