

# W.A. Hough High Testing Reminder

Final Exams for first semester courses will be given starting next week on the following schedule:

Wednesday 1/13/16 = First Block classes

Thursday 1/14/16 = Second Block classes

Friday 1/15/16 = Third Block classes

Tuesday 1/19/16 = Fourth Block classes

Wednesday 1/20/16 = Make Up Day for Exams

Please make every effort to have your child at school and on time the days that these tests are being administered, so that we may begin testing promptly in the morning. It is better to encourage your child to be relaxed, rather than to encourage additional drill or extra study at the last minute. Plenty of sleep and a good breakfast before testing are helpful since alert students perform better. Your child will need to bring two No. 2 pencils to school and a calculator for their Math and/or Science exams.

If you have any questions, please contact Susan Keiger, Testing Coordinator, at 980-344-0514.

Thank you for your support!
