

This year marked the SRRC's 25th anniversary and to celebrate this milestone, we dedicated both of our conferences to revisiting our past successes as well as looking forward to expanding this organization to be even bigger and better for years to come! At our fall Conference and 25th Anniversary Celebration "Looking Back....Moving Forward" we honored and thanked our founding members, Joyce Brown, Jim Dix, Rachel Johnson, past presidents, and past board members for laying the foundation that makes us great organizations. I wanted to personally thank you all for your hard work.

Looking ahead to 2014, please join me in welcoming our new Board members: Mande Barden, Neil Demond, and Laura Matrisciano. We know they will make great contributions to our organization. We also want to recognize Sherry Yerger, Nancy Carter, Pat Dolan, and Ann Moore who have completed their final year of elected service on the Advisory Board. Rolling to the Advisory Board for 2014 are Mara Terrace, Angie Gilbreath, and me. Speaking for all of us who have served on the BOD, it has been an honor and pleasure to work for you and to support our industry and all its facets.

The BOD will have its annual reorganization meeting on December 4th when we will elect the 2014 officers and we will appoint committee chairs. We'll also approve the annual membership dues and conference rates at that time. Look for that information in December. We'll send it out via e-mail blast and post the appropriate fees on the website www.SRROnline.com

Mark your calendars for SRRC's upcoming events in 2014:

Golf Tournament	September 16 th
Fall Conference	September 17-18 th

As always, please contact any of the Board members with your questions, comments or suggestions or if you would like to offer your services to assist on committees or events. Please spread the good word about our great organization and come to our next conference to learn, network, and build great friendships.

The SRRC Board wishes you happy holidays with all your friends and family and a prosperous 2014!
