

Some of the highlights of your membership include:

- Staying current on trends in the relocation industry
- Networking with other professionals
- Multiple CRP & GMS credits for conference participation
- Reduced conference fees - spring & fall sessions – learn while having fun!
- Periodic emails about what's happening at SRRC and the industry
- And.....so much more with one of the best groups of relocation professionals in the US!

SRRC is a synergistic group and the effect of a collection of like-minded professionals is greater than just one person. For most people, creating professional relationships is important, and joining the SRRC allows you to have a sense of security and trust. During our events throughout the year you can connect with your peers, share ideas, ask for advice, and volunteer to be a speaker or become a member of a committee. You will have the opportunity to learn about breaking industry news, learn "best practices" or new ideas, and also meet and brainstorm with others who are also looking to share and learn new information. Another benefit of enhancing your network is that you may find a mentor to help you with your professional needs or you may be in a position to become a mentor to someone else. Membership also allows you to use your peers as sounding boards and often make some great friends with the same interests as you. Consider renewing or becoming a member of SRRC today! If you have any questions about your membership benefits please feel free to contact myself or any member of the SRRC board of directors which can be found on our website at [www.srrconline.com](http://www.srrconline.com). SRRC members who are helping on the committee this year include Kelly Fisher, Budd Van Lines, Rob Eames, Quicken Loans, and Natalie Smith, V-Suites Corporate Housing.
