

World Doubles Court Tennis Championship Update for May 1, 2015

World Doubles Court Tennis Championship Week begins in just one short month at The Tuxedo Club – running from May 31st to June 7th.

First and foremost – the ticket window is now open and space is very limited. If you wish to purchase tickets, please contact us at info@worlddoubleschampionship.com or call Tim Chisholm in the Tennis House at the Tuxedo Club.

Plans are firming up on all fronts with numerous events and activities scheduled for every day. If you can join us at The Tuxedo Club for the entire week, that is fantastic, and if you can only join us for the Champions Dinner and the Finals – you'll still participate an event to remember.

There are several important updates on the World Doubles website (www.courttennisworldchampionship.com) including:

- The play-in schedule and the main draw for The World Doubles Championship
- The social calendar including three “event” dinners, cocktail parties and other events
- The Pro Shop will be coming soon so you can shop online for Tuxedo World Doubles branded court tennis gear

The World Doubles Championship at The Tuxedo Club is supported by some incredible sponsors. These include:

- Roberto Coin – in addition to monetary support, Roberto Coin has donated some beautiful jewelry as prizes for our women’s golf outing;
- Breitling – has donated watches as prizes for our men’s golf outing;

- Fredrick Wildman Wines – has donated all of the fine wines you will enjoy throughout the week and is sponsoring Kevin Zraly as Sommelier for the Champions Dinner where he will be leading this wine tasting dinner. Kevin is widely known as the most famous and most entertaining sommelier in the United States. He is a recipient of James Beard Foundation lifetime achievement award, is the founder of the Window on the World Wine School and a leading author on wines;
- BMW of North America – in addition to monetary support, BMW is providing “shuttle service” for our guests around the Park. Look forward to a ride in a luxurious BMW 7 Series or in the cutting edge BMW i3 electric car. The electric supercar – BMW i8 – will also be on display at the Tennis House;
- USCTA – will host a cocktail reception during and after the semi-final matches on Thursday;
- ZipLocal – in addition to contributing website development, web hosting services and Facebook and Twitter as social media management, Zip has dedicated its monetary support to The Inaugural World Doubles Junior Pro/Am Championship. The Junior Pro/Am will be held on May 30 and 31 at The Tuxedo Club. It is open to all young court tennis stars (aged 16 and under) from around the globe. These kids will be paired with their favorite pros for this fun, but competitive event.

Please support our generous sponsors, in kind.
