

Go USA!

By Charlie Johnstone and Jeremy Wintersteen

Twenty-one players will be traveling to England in mid May to represent the USCTA and compete in the Cockram, Bostwick, and Danby Cups. International team competitions for the 50's 60's and 70's age groups, these tournaments also coincide with the World Masters, which are individual singles and doubles competitions.

Many thanks go to U.S. team captains Steve Hufford, Charlie Johnstone, and Michael Flinn for all their work organizing our teams. The Racquet & Tennis Club is sending the most players (9) followed by Washington (5). Philadelphia is sending two players and Boston, Tuxedo, Newport, and Chicago are each sending one player. The Cockram will be held at Cambridge, the Bostwick at Newmarket, and the Danby at Prested Hall.

England won all three cups in Tuxedo and Philadelphia in 2013 so the U.S. and Australian teams will be looking to knock off the defending Brits. On behalf of the USCTA, good luck to the players below and bring back the Cockram, Bostwick, and Danby Cups!
