We would like to bring your attention to Volunteers for Israel's upcoming programming for 2016. VFI PLUS is a unique opportunity to both tour Israel for eight nights and immerse yourself in Israeli culture by volunteering to provide needed civilian services to the Israel Defense Forces (IDF) while living on an active military base for eight nights. In conjunction with Volunteers for Israel (VFI), discover and enjoy the personal spiritual experience of an All-Inclusive volunteer adventure.

This is the only program in the world which places you in an active military setting for extended immersion. Your volunteer services are meaningful and a greatly appreciated contribution to the defense of the State of Israel. We look forward to greeting you in the Land of the Bible where time seems to have come to a stand-still, and where the history comes alive. You don't have to close your eyes to imagine – you just have to open them.

We hope you will join us on this exciting opportunity!
