Our Minyan

For years, a hallmark of our synagogue has been its commitment to providing two Minyanim daily. In this way we have provided a service to our members and the larger Jewish community, providing a place to come and pray, where mourners and those observing yahrzeit are able to recite Kaddish.

It is our collective task, as members of this shul, to continue this vital service to our community. To assure a minyan, we need to bring 10 Jews together (Bar/Bat Mitzvah age and older). For years, Carl Hess has led a group of “regulars” in both daily services, but they can no longer do it alone.

With your help, we can maintain our Daily Minyan.

“It is said that in the merit of praying with a Minyan, one will make a living more easily and be blessed with the fruits of one’s labor.”

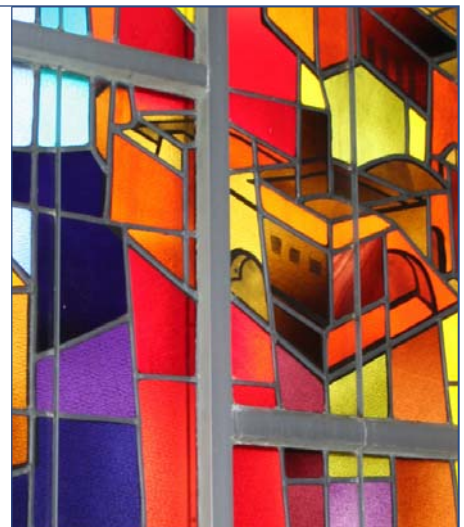

- Mishna
