

SETUP FOR BLACKBOARD COLLABORATE

Once you have clicked on the link “sas.illuminate.....” link, please follow the Steps below to install Blackboard Collaborate.

The screenshot shows the Blackboard Collaborate Launcher download page. The page has a purple header with the Blackboard Collaborate logo and a 'Support' link. The main content area is white with a purple border. The title is 'Get started with the Blackboard Collaborate Launcher'. Below the title is a sub-header 'Download the launcher'. There is a dropdown menu with 'Windows' selected and 'Mac' as an option. A 'Download' button is next to it. A red arrow points from a text box 'Select Computer type then click Download' to the dropdown menu. Below the dropdown is a link 'Already installed the launcher? Launch Blackboard Collaborate now.' with a red arrow pointing to it from a text box 'Click here if you have BlackBoard Collaborate'. At the bottom, there is a copyright notice: '©2001-2015 Blackboard Inc. and its subsidiary companies. All rights reserved. (sas.illuminate.com) Terms of Use | Privacy Policy | Rules of Conduct | Cookie Policy'.

After clicking on the link your Browser will open to this page. In drop down menu select the type of computer you are using, Windows or Mac. **IF YOU ALREADY HAVE Blackboard then Click “Launch Blackboard Collaborate now.”**

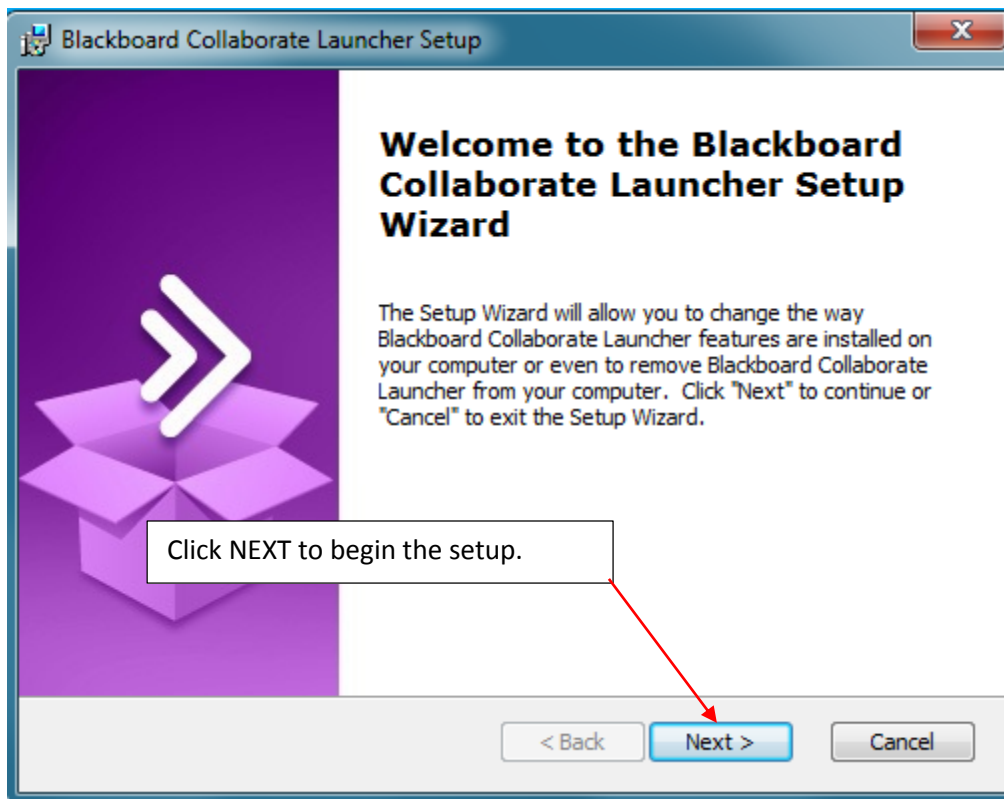

The screenshot shows the Blackboard Collaborate Launcher 'Downloading Installer' page. The page has a purple header with the Blackboard Collaborate logo and a 'Support' link. The main content area is white with a purple border. The title is 'Downloading Installer'. Below the title is a sub-header 'When the installer is finished downloading, complete the following steps:'. There are two numbered steps: '1. Run the installer.' and '2. Click Join to launch your session.'. Below the steps is a 'Join' button. At the bottom, there is a link 'Need help with this?'. At the bottom, there is a copyright notice: '©2001-2015 Blackboard Inc. and its subsidiary companies. All rights reserved. (sas.illuminate.com) Terms of Use | Privacy Policy | Rules of Conduct | Cookie Policy'.

Click RUN to begin the setup.

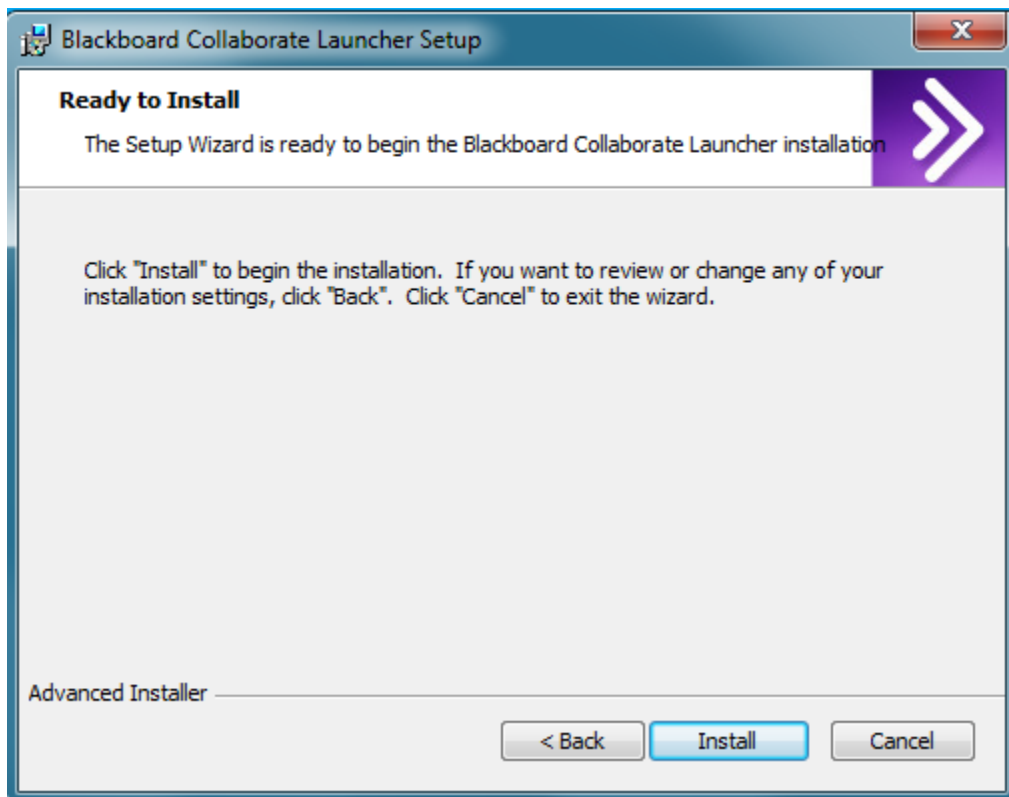

The screenshot shows a Windows file download dialog box. The text in the dialog box is: 'Do you want to run or save BlackboardCollaborateLauncher-Win.msi (40.8 MB) from na-downloads.illuminate.com?'. There are three buttons: 'Run', 'Save', and 'Cancel'. A red arrow points from the text box above to the 'Run' button.

Now you want to run the Installer. **Your CPU will ask if you would like to Run or Save Blackboard Collaborate Launcher. Click RUN** (please be advised Internet Explorer is being used in these examples your CPU may have the pop-up populate in a different are, regardless you want to RUN the program). If you save the launcher it will go into you Download folder, or whichever folder is designated to populate saved downloads

SETUP FOR BLACKBOARD COLLABORATE

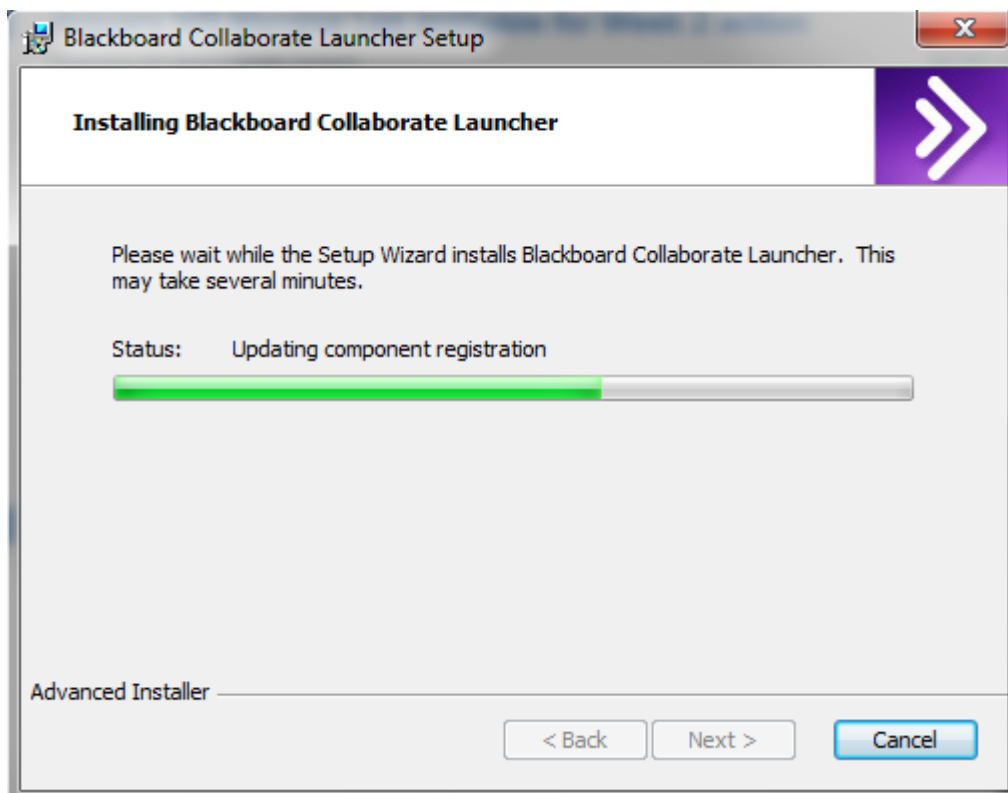

You should receive this pop-up. **Click Next to continue.**
