

Working with industry leader, Insight, our council's Properties Committee is improving the wireless communications service to Lost Pines Scout Reservation.

This network will enable FREE Wireless Internet Access (WIFI) in and around:

- Lindsay Lodge
- Pool
- A-Building
- Trading Post
- Dining Hall
- Limited access at Scoutcraft Program Area

New Phone System

- Internal extension calling
- Increased access to telephones for emergency access
- Dedicated 911 emergency call box at Lost Pines Pool

Network will feature

- Enterprise-grade connectivity, durability, and reliability
- School District-level security
- Capability to expand and upgrade to meet changing demands

Future Growth Areas

- Campsites at Lost Pines
- Additional Program Areas at Lost Pines
- Cub World at Camp Tom Wooten
- Griffith League Scout Ranch

There will be controls put in place to limit usage by youth, plus media streaming or other high-bandwidth applications. You'll learn more when you get to camp this summer.
