**Notes for your booking**

*We want to make your evening go brilliantly so if there's anything we can do to make it better please let us know!*

*Here's some information about booking and some answers to frequently asked questions. If there's anything else you'd like to know just call or email us and we'll be happy to expand on anything!*

We offer **5% off food** for **parties of 6 or more**  
We offer **5% off food** for bookings where the **deposit is paid by the end of October**. These two discounts can be used together for a total discount of 10% off your food bill.

We can seat up to 46 people comfortably and slightly more if you want to squeeze a big booking in. We seat up to 28 people in the bottom half of the restaurant, a nice space for big groups. If you're a large party we may have to seat you on two or more tables next to each other. We can discuss with you when you book about where you're likely to be sat.

We ask for a **£10 deposit per person for every booking at Christmas**. This is refundable if you cancel at least 2 weeks ahead of your booking for 3 or more people up to the whole booking. If a couple of people drop out we'll refund as long as you let us know at least 24 hours before so we don't prepare your food! Its not refundable if people are no shows on the night. The deposit needs to be paid in person at the Brasserie either by card or cash.

We need guests to fill in a **food choice sheet** for each member of their party. This should include any dietary requirements and needs to be returned at least 10 days prior to the night. This is so we can get everyones dishes quickly on busy Christmas evenings.

We add an optional **10% service charge** to all tables of 6 or more.

A couple of things we can't do!

We can only split your bill to tables of 6-8 within a big group not to individuals as this gets really complicated on busy nights!

We can only accept cheques for deposits if they have at least 10 days to clear.

We can't accept cheques as payment on the evening of your booking as banks no longer guarantee these!
