

Garden City Sunrisers Celebrate 100th Kiwanis Anniversary with Community

The Garden City Sunrisers Kiwanis Club celebrated 100 years of Kiwanis with a community hamburger and hotdog feed along with birthday cake, They fed over 460 people. The event in Stevens park started immediately after a Russell Child Development event and before the Garden City Recreation movie in the park.

Stan Bechtle reports: "We had a great time and movie goers had plenty to eat. Tyson Meats gave us 80 pounds of hamburger and a local water company gave us many bottles of water. We also displayed a U.S. flag, our club banner and our members wore Kiwanis tee shirts. Our president was on the radio twice, an article was in the paper and we had a professional sign at the park entrance. Many people other than Kiwanians thought it was a great event."
