

## Pittsburg Sunflower Donates to Local Groups

Pittsburg Sunflower President Chuck is shown presenting a \$300 check to Terry Blessant from the Girl Scouts. Terry explained they purchased two kayaks with the club's donation from last year and this year the plans are to purchase lumber and rope for a "buddy" project. She expressed interest in the scouts helping the club with its flag distribution and they look forward to their help.

Sunflower Kiwanis had a busy month in distribution of charity dollars. The Marines Toys For Tots received a check for \$300. The toys will be given to children in Crawford County. The County Health Dept. received a check for \$300 to assist with their Boo To The Flu campaign at Halloween time. The Salvation Army received \$500 for their ongoing holiday events. The local food bank and day shelter, Wesley House, received \$500.

These funds are all raised by selling of flags for personal display whether it be homes or businesses. The club continues to run a "gourmet" hotdog stand during PSU football games. Collecting Aluminum is also one of their resources. The club rewarded themselves with a Christmas party with admission being a toy, again to be donated to the community distribution of food and toys.
