

Educate

WRS is an affiliate of the Kauffman FastTrac series of entrepreneurial training programs and offers these courses as requested by client companies and organizations to strengthen suppliers and customers in best business practices.

WRS collaborates with The Kauffman Foundation, the world's leading organization in training, to offer various Kauffman programs including: Listening to Your Business, FastTrac New Venture, FastTrac Growth Venture, FastTrac Tech Venture

Consult

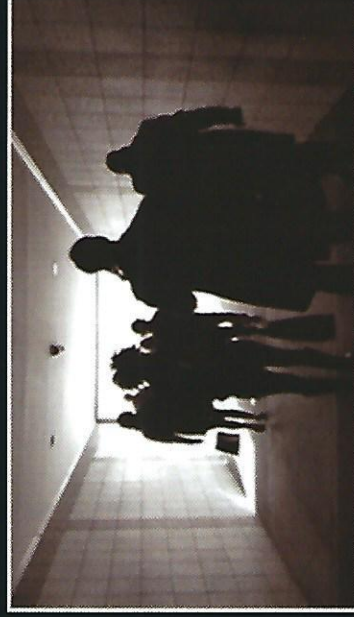

WRS team members actively engage clients to build strategies for a plethora of areas for their company's growth including:

- Build leadership opportunities
- Enhance strategic direction
- Create best practices in time management and process management systems
- Assist in developing morale and team character development tools
- Develop an innovation mentality and promote curiosity within the organization

Core Beliefs and Values + Internal Purpose = Guiding Philosophy

Mission + Vivid Picture = Clarified Image

Guiding Philosophy + Clarified Image = Vision

Connect

We work in the global marketplace. In the last 3 years WRS has had direct communication with over 100 countries in the areas of entrepreneurship and import/export businesses.

We work to help you understand some of the complexities while connecting with our international network. We offer you perspectives on:

- International connectivity
- Invest in strategic priorities
- Leadership with a world view
- Create a legacy of global reach
- Specialize with a global reach
- Adaptability to global dynamics – globally fluent
