Featuring Emmy Nominated Actor John Ratzenberger

Best known as Cliff Clavin from the popular show "Cheers," Ratzenberger has the distinct designation as the only person to appear in every Pixar movie. He parlayed his celebrity into a "jobs activist" by promoting career and technical education in our nation's schools to revitalize and restore America's standing in a global economy. A Senior Fellow at the Center for America, Ratzenberger has initiated the 10 by 20 campaign to have 10 million skilled workers by 2020.
