Provider Anniversaries

Isobel C. – Barrie – 25 years

Isobel has been an outstanding Provider in our Barrie community for 25 years. She has proven herself an amazing team player and continues to shine each and every day. Isobel has a heart of gold and a genuine loving nature. Her families all love her and many have become part of an extended family. In an ever-changing daycare world where often we see a lot of coming and going Isobel has had many families stay in her Wee Watch program from infant through to school age. Now that's a recommendation! Isobel's commitment to nutrition, programming and the great outdoors is outstanding. Thank you Isobel for an amazing 25 years and we hope for many more!

Sara S. – Barrie – 25 years

Sara has been wowing us with her commitment to childcare and to Wee Watch in Barrie for 25 years! Her families love her and stay in touch long after they have grown just a little too big for daycare. She has had many families return with new babies who request her exceptional program and no one else for their new additions. Another outstanding recommendation! Sara has a tender, caring nature and is always quick to smile. Her personality keeps the children enthralled and her program keeps them busy, a great recipe for positive behaviour management. Thank you Sara for an amazing 25 years and we hope for many more!

Darlene K. – Waterloo/Central Kitchener – 25 years

Darlene has been a part of Wee Watch for 25 years. She has cared for many Wee Watch children over the years while raising five children of her own.

Darlene always understands and nurtures the needs of all of the children she cares for. She has a kind and patient way of teaching new skills as well as making it fun and enjoyable for the children.

Thank you Darlene and congratulations on twenty-five years as part of our Wee Watch family.

Provider Anniversaries

Margaret M. – Whitby – 24 years

It is said that “Winners are not people who never fail, but people who never quit” and Margaret M. is a winner. She has never given up on a child. She has also in her 24 years as a Wee Watch Provider exhibited the utmost professionalism. We are very lucky to have her as part of our team.

Debbie D. – Waterloo/Central Kitchener – 21 years

Debbie has been a part of Wee Watch for 21 years. She approaches each day and each child with a genuine smile and the children have become a part of her life.

Debbie provides a loving environment along with excellent care and we continue to appreciate her and all the time she has spent with us!

Over the years Debbie's care has included many families that return to her with their second child. Thanks Debbie for all the love and care you have provided and congratulations on twenty-one years as part of our Wee Watch family.

Susan L. – Etobicoke – 20 years

Congratulations to Susan on celebrating 20 years as a Wee Watch Provider. Susan became a Provider as a way to stay home with her own children and as they have grown up, she continues to provide a warm and loving home for many children in which they grow and develop. She has been an integral part of her community and uses the Early Years program, libraries and community facilities to enhance her programming in a positive way. We are very proud to have Susan as part of our Etobicoke Wee Watch team.
