TOGETHER WEE CAN CELEBRATES PAN-AMANIA 2015

“Together Wee Can Celebrates Pan-Amania” is a celebration of the 2015 Pan American Games, which were held right here in Ontario, Canada.

The Pan Am Games may have come and gone, but Wee Watch children continue to learn through playing and exploring a variety of Pan American sporting events in our year long “Together Wee Can Celebrates Pan-Amania” program.

Wee Watch Providers and children have been busy with this year’s Together Wee Can program, hosting their very own Torch Relays, exploring the different sporting events that took place during the games, tracking the winners and medals that were distributed for each sport and working on their memory books.

Providers and children in their care will soon be focusing on their “Closing Ceremony” of the “Together Wee Can Celebrates Pan-Amania” program. We would love to hear what special plans or ideas you might have for your upcoming “Closing Ceremony”.

UNITED WE PLAY.
