Provider Anniversaries

Susan H. – Waterloo/Central Kitchener - 25 years

Susan has been a part of our Wee Watch family for over 23 years. She has raised and cared for many Wee Watch children over the years along with raising her own 3 children.

Her own children have grown up and no longer live at home. However, Susan continues to do care and now cares for both Wee Watch children and her grandsons.

Susan approaches each day and each child with a genuine smile and the children she cares for truly do become a part of her family. Over the years Susan has not forgotten the children she has cared for. She has continued to maintain connections with the families and she has enjoyed watching the children grow well after they have left her care.

All her Wee Watch families both new and old adore her and recommend her highly.

Thank you Susan for all the love and care you have provided and congratulations on twenty-three years as part of our Wee Watch family.

Linda W. – Oakville – 20 years

Linda is a provider who puts her whole heart into caring for the children. Her exceptional care and learning environment never go unnoticed. Linda is a role model and makes a huge difference in the lives of children. Thank you Linda for all your hard work over the last 20 years.

Marina H. – Oshawa East/Bowmanville – 20 years

Marina has been part of our Wee Watch - Oshawa East family for 20 years and we couldn't be more thrilled to wish her HUGE congratulations on this milestone anniversary. When Marina's children were born, Marina was working in the corporate world. However, instead of returning to that role, Marina chose to stay home and offer child care to families in the community. It was a very lucky day for us!!!!. We receive wonderful feedback from the families that Marina has done care for. Parents will return to her care over and over again as their families grow, and have expressed they would never go anywhere else as Marina has been instrumental in their child's early years. Marina loves networking. Always on top of her professional development and never missing a workshop or Wee Watch event in the past 20 years. Marina has a knack to make all new providers feel welcome, as she does with the families that enter her care. Marina keeps us all inspired and is valuable partner on our team. Marina has definitely chosen the right profession!!

Thank you Meena.....You're the BEST!!!!!!
