Meet The Expert

Marti Peden, Human Resource Consultant

Marti Peden is a human resources consultant specializing in training and organizational development. For over twenty five years, Marti has been a Human Resources Training and Development consultant and president of a consulting firm. She specializes in leadership training, conflict resolution, managing change, and team building. Prior to her work as an external consultant, Marti Peden was employed in the corporate offices at The Firestone Tire & Rubber Company in the Organizational Development Department.

Marti holds a Bachelor's Degree in Psychology from The University of Steubenville and a Master's of Education Degree in Counseling from Kent State University. She has taught extensively in the areas of business, education, healthcare, and government offices. She is an annual presenter for executive leadership programs such as the John Glenn School of Public Affairs in Columbus, Ohio and the University of Notre Dame in South Bend, Indiana. Her clients include: First Energy, Lockheed Martin, Summa Health System, and various federal, state, county and city government offices.

Give your team world-class business consulting and training solutions customized to your needs, delivered at your site, and on your schedule. Don't just wait for your business to improve — make it.
