

Sports Camera Operator/Editor

We are looking for Camera operators who can videotape sports games in the NE Oklahoma area. Games are usually weekends and last about 1.5-2hrs. Professional Hi-Pod video camera and equipment are provided by RAF. Candidates should have knowledge of soccer and multiple sports. Please indicate if travel is an issue for you.

Job Responsibilities:

- Operate video cameras in a live sports setting usually outside.
- Set up client appointments and handle customer service inquiries.
- Operate computer software to prepare video recordings for downloading or copying to DVDs for distribution to customers.
- Punctual attendance for shifts that can start as early as 6am.
- Work weekends and holidays as necessary, in support of our video operations at sports events.

Qualifications Requirements:

- Must be an effective communicator and team-worker, able to work cooperatively with others, sometimes in stressful situations.
- Effective customer service and communication skills.
- Ability to follow instructions quickly and accurately, with attention to detail.
- Ability to work from a standing position for a 2-3 hour period. Ability to carry and climb a six-foot step ladder and carry up to 50 lbs.
- Some college education preferred. Current students welcome.

Experience:

- Experience operating professional video cameras live is a plus.
- Experience using video editing or downloading software (such as VIMEO, Youtube, etc).

Compensation:

- Based on production commission basis with incentive opportunities.
