"By awarding me the Charles W. Finkl Scholarship, you have lightened my financial burden which allows me to focus more on the most important aspect of school, learning. Your generosity has inspired me to help others and give back to the community. I hope one day to be able to help students achieve their goals just as you have helped me." Finkl Scholarship Recipient

"I was incredibly pleased to find out that I am a recipient of your Forging Industry Woman's Scholarship!...I am immensely grateful for you creating this opportunity, taking the time to speak with me, and for your apparent passion for empowering women in this industry...This has shown me that the forging industry does care about my personal development through education, and validated my decision...to stay in this industry."
