

2016 SCHOLARSHIP APPLICATION

Applications Due May 16, 2016

ELIGIBILITY GUIDELINES

The purpose of the Wyoming Construction Coalition (WCC) Scholarship is to enhance and expand Wyoming's construction industry workforce through promoting careers in skilled trades and construction related careers through furthering the education of outstanding individuals pursuing education and/or training in construction related fields.

At least one \$1000 annual scholarship shall be awarded to an outstanding individual who is, or will be, actively enrolled in a skilled trade program directly related to the building construction industry (i.e. Architecture, Engineering, Construction Technology, Carpentry, Electrical Apprenticeship, etc.). More than one scholarship may be awarded depending on availability of funds. Scholarship winner(s) must enroll in a program at a Wyoming accredited college, university, trade school, or apprenticeship recognized and authorized by the State of Wyoming. The scholarship may be used to defray tuition, supplies, room and board, or other college, university, trade school or program expense.

The Wyoming Construction Coalition is an equal opportunity, non-profit organization, and we encourage applications from all individuals who meet these basic scholarship eligibility requirements.

REQUIREMENTS

- Completed application
- Two (2) letters of reference
- Resume of work and education experience
- One to two (1-2) page typewritten essay detailing why applicant is interested in a Wyoming construction career.

SELECTION CRITERIA

- Complete application must be received in the WCC office on or before May 16, 2016.
- Individuals who submit complete application packet and meet eligibility requirements may be selected to interview with the WCC Scholarship Selection Committee.
- Successful candidates will demonstrate ability to describe educational goals and outline plans for working in Wyoming's construction industry.

AWARDS

- The Scholarship Selection Committee will select scholarship recipients based upon scholarship application and interview.
- Winner(s) will be notified on or before May 31, 2016.
- Scholarship winner(s) will provide WCC with official verification of enrollment in education or training program.
- Upon receipt of official written verification of enrollment/participation from scholarship winner(s), the scholarship payment will be sent.
