INDIVIDUAL COUNSELING SESSIONS AT NO ADDITIONAL COST TO YOU

You can discuss your personal financial situation with an experienced TIAA-CREF Financial Consultant on a confidential basis. They are available to discuss how to help you pursue your financial goals by investing in financial products such as mutual funds, brokerage, life insurance and annuities.

A detailed evaluation tells you everything you need to know and do. Our individual counseling session will help you answer these questions:

- Are you setting realistic goals for key life events and retirement?
- Can you better balance your spending priorities to help you save more for your financial goals?
- What investment mix and strategy is right for you?
- What retirement income options may be right for your situation?

This Individual Counseling Session can help you simplify your retirement by:

- Reviewing your retirement income options to provide you with the most flexibility possible
- Discussing consolidation, if appropriate for your situation.
