MASTER OF CEREMONIES

Doug Gibbs | Principal Partner at Gibbs Group LLC

Mr. Gibbs will share first-hand accounts of the global connectivity that affects every industry sector today, and the opportunities that await graduates who understand the necessity of world wide collaboration to lead businesses big and small into the future.

KEYNOTE SPEAKERS

Jaime Casap | Chief Education Evangelist at Google, Inc.

With Google leading and shaping the way we connect and educate, Mr. Casap will share the power and potential of the Web, technology, and Google tools as enabling and supporting capabilities in pursuit of creating powerful learning models.

Noel Massie | President, Southern CA District at UPS

Mr. Massie will share the industry insights of the globally recognized United Parcel Service and discuss changing workforce needs across all industries and the increasingly globalized and tech-focused environment our students must prepare to enter.

Denise Montrose | Managing Director and Logistics & SCM Recruiter at Small World Recruiting

Through her experience as a recruiter in the globally active world of logistics and supply chain management, Ms. Montrose's pulse on current and future industry needs will help attendees guide their students and graduates toward success in a global market.

WHY YOU SHOULD ATTEND!

- Hear from industry experts and professionals on current and future workforce needs.
- Network with other educators and sectors for cross-collaboration.
- Identify faculty training and certification programs through regional education initiatives.
- Earn professional development credits.
- Empower the workforce of tomorrow with up-to-date information and 21st Century skill sets!
