Re: ***Bid to raise county wastewater, sewer fees dumped***

Dear Ms. Buel,

Patrick McNamara's story, ***Bid to raise county wastewater, sewer fees dumped***, which was posted on line August 17, 2015 and in print today, is inaccurate and I am requesting the story be corrected immediately.

Under the section titled ***Tax Levy Set***, Mr. McNamara notes, "Carroll cast the sole votes in opposition to setting the levy". The last sentence in the article states, "Miller and Carroll both voted against authorizing delivery of the Pima County tax statements". Both of these statements are incorrect.

The correction to be made should include the fact **I actually voted against setting the levy and voted for the delivery of tax statements**. For clarification, you can watch this brief video clip of yesterday's vote, which clearly shows the inaccuracy in the reporting:

I spoke with Tim Steller last night regarding this issue and he notified Mr. McNamara. This morning I noticed the story still had not been updated as of 8:52am.

Sincerely,

A handwritten signature in cursive script that reads "Ally Miller".
