## 2015 Outhouse Races

At Summerfest, July 11, 2015

**Starting line:**

*Intersection of 5<sup>th</sup> & Cedar*

**Finish line:**

*Intersection of 4<sup>th</sup> & Cedar*

**Construction of outhouse:**

*3 full sides, one half door that opens and closes*

*No motors or mechanical running parts*

*Push power only, on wheels*

*Teams: limited to 5 People or less. (1rider and 4 pushers) One person has to ride inside at all times, but it doesn't have to be the same person all the time, the crew can change places just as long as someone is inside. (it can even be a little kid) .*

*Stunts are lined up and down the street; each crew has to complete each stunt before going on to the next. There needs to be a judge at each stunt to make sure they completed and then allow the crew to move on.*

*The outhouse has to be equipped with;*

**HOUSEHOLD STANDARD TYPE ROLLS OF TOILET PAPER**

**(MINIMUM OF 8 ROLLS)**

*1.) Stunt called "Put the seat down" each outhouse has to have one toilet seat(provided to you that morning) this is a stunt that requires you to throw the toilet seat onto a orange traffic pole that is set up in the street. You have to get 3 ringers before going on to next stunt.*

*2.) Stunt called "paper shooter" each outhouse needs rolls of toilet paper. There is basketball hoops place on the street and they have to make a min of 3 baskets before going on, but the person throwing the toilet paper into the basket has to throw from a seated position inside the outhouse, (no standing allowed) this is where if the person that has been riding inside can't make a basket another crew member can trade places, but the shooter has to shoot from INSIDE/SEAT of the outhouse.*

*3.) Stunt called "butt wipeout" each outhouse needs rolls of toilet paper. There are 3 plungers lined up on the street and 2 crew members have to hold one roll of paper with their butts, no hands allowed and put 1 roll of paper on each plunger total of 3 plungers. Verbal instruction from teammates is allowed.*

*4.) Stunt called "Finish line Throne" Outhouse stops at red line, seated teammate holds roll of toilet paper while other teammate pulls the paper over to the throne and must sit on throne without paper tearing first team to complete is now the winner.*

*Chairperson reserves the right to modify stunts prior to race. In the event modifications are made notification will be verbal on morning of event.*
