43rd ANNUAL CANADIAN RED ROUNDUP

October 22-24, 2015

Red Deer, AB

The Canadian Red Angus Promotion Society is pleased to announce a new partnership with Bouchard Livestock International on the Management of the 2015, 43rd Annual Canadian Red Roundup Sale. Over the years the annual Red Roundup sale has acquired the reputation of being “the” Red Angus Event of the Year and the goal of this new partnership is to ensure that Red Roundup remains “the” Red Angus Event of the Year.

Consignments to the Red Roundup Sale are considered to be among the best Red Angus from across Canada. One of the highest compliments to be given to an animal is to say that it was purchased at Red Roundup. Consignors to the sale can be confident that participation in the Red Roundup will be an enhancement to their business and should therefore be committed to attending this event with some of their best genetics on offer. The ultimate success of any Red Roundup Sale is directly related to the participation and commitment of breeders. We would, therefore encourage your participation in this prestigious event.
