

GOAL Travel Bursaries

Awarded by the Canadian Angus Foundation and the Canadian Junior Angus Association

The Guiding Outstanding Angus Leaders (GOAL) Conference promotes leadership skills within the Angus breed. Junior members from all over the country attend this three-day event held in a different location each year. During the event, Juniors hear from nationally recognized speakers, participate in workshops designed to improve their leadership skills, get involved in teamwork activities, and develop beef and industry knowledge. Participants are also given the opportunity to network and socialize with fellow Junior Angus members.

Six Canadian Angus Foundation (CAF) and four Canadian Junior Angus Association (CJAA) GOAL Travel Bursaries will be awarded in the amount of up to \$750 to eight deserving CJAA members and two Commercial Angus youth from anywhere in Canada. Bursaries must be used within the same year awarded to help off-set travel and registration costs for the GOAL Conference.

"GOAL 2014 was a great experience for me to meet fellow Angus enthusiasts from across the country. Despite coming from a small Angus herd where my income is from off farm, this weekend really helped me understand that no matter what size of cattle herd, everyone has the same goals and challenges. It helped me network and develop connections that will last a lifetime. Receiving the travel bursary was greatly appreciated, as I probably would not have had the opportunity to attend while trying to pay for tuition. I would also like to thank you for the Angus voucher. The voucher was the cherry on the cake for this weekend. This is a great idea and opportunity, being in school it can be tough trying to justify spending money on cattle too." - Peter Van Staveren, Ontario

"Participating in the inaugural Legacy Scholarship selection process was one of the highlights of 2014 for me! Competing against four other outstanding candidates and debating with them in the panel discussion at GOAL was an amazing opportunity to share our views on the Angus breed and the Beef industry in general. Winning the Legacy Scholarship has helped me immensely in continuing my studies to become a pharmacist and I am very grateful to the Canadian Angus Foundation. I encourage any Junior who is eligible to apply and try your best; you might just surprise yourself!" - Patrick Holland, Prince Edward Island
