\$79.99

PART # "PROMO"

Select Kit Part Numbers: 11E-663H8 & 12E-909H

April 3rd, 2015 ELECTRONIC NEWSLETTER

Published the **First Friday of every month.**

This month's issue includes:

- Find out about the "Dirty Thirty"
- ZDDP and the inevitable change... by Dave Sutton.
- Employee bio - learn a little about Linard Morris.
- Shop solutions: Easy setup for cutting seats; OHC galley plugs; VW 1.8L Turbo valve problem; Why VIN code #8 is so important; using masking tape to position gaskets; muscle-up on cash flow. **We use your tip... you get \$100 bucks !**
- Q&A: How many recreational boats are registered in the U.S.? 4m? 8m? 12m?
- Downloads: Engine Parts Book, or better yet, order some customized printed versions!
- Links to: e-catalogs, flyers, trade associations, magazine articles, and back-issues of E-Update.
- FREE Shipping on April 3rd. Mention you saw the offer and any order over \$25 will ship free, 4/3/15 only.
