

Emmanuel Episcopal Church of Fullerton

We're Having a Garden Party and You're Invited!

We are partnering with Habitat for Humanity of Orange County, the Episcopal churches in our Deanery, and the Veteran Home Repair Program to raise funds for Veteran homeowners. The emphasis being on home improvement projects that will address safety and accessibility for limited income Veterans. Together we can help a Veteran family stay in their home, protect their investment, extend their independence, and restore their dignity and pride in home ownership.

We hope you will help us serve those who have served us by participating in this important fundraising event. There will be guided tours of our creative children's garden, vegetable, herb, and flower garden, as well as our newly planted vineyard. Hors d'oeuvres, wine, and non alcoholic drinks will be served.
