We have been saying for the past 4 years:

“we need more members.”

We have been saying for the past 4 years:

“we need to improve our financial health.”

God has provided an opportunity:

Facilitator, Teacher, Preacher: Rev. Hurmon E. Hamilton,

New Beginnings Community Church of Mountain View, California

(former Pastor of Roxbury Presbyterian Church USA, Boston, Massachusetts)

Rev. Hamilton was a Presbyterian pastor for 23 years. In April of 2014, he began a new church development in the Bay area. One year later his congregation has doubled in size. He is coming to share his strategies for growth and discipleship. Come and be a part of this two-day experience and gain some insightful and helpful information.

Rev. Hamilton will help us think through our next steps. He will help us design and implement a process for growth.

Why do we exist? How do we behave? What do we do? How will we succeed?

These are some of the critical questions we will discuss as we prepare to move our congregations into the next phase of ministry!
