Interagency Coordinated Council of Long Island
PRESENTS

BRIDGING THE GAPS

For professionals and families working with individuals with disabilities

Bridging the Gaps: Connecting Medical, Educational, and Familial Systems

The conference will provide tools and strategies to improve outcomes for children and young adults. Improving communication between medical professionals, educators, families, and community providers can be the key!

Hope you can join us!!

The event is designed to improve communication, provide networking opportunities, information and resources related to families who have children and young adults with special needs.

Thursday, May 19, 2016
8:00 am – 2:00 pm
