

# *Riding the Dragon: Transformation and Realizing Potential*

*With Cathy Black, M.A.*

Join me for sharing and meditations on Transformation, Truth, Peace, and Realizing Potential. We will explore the subtle energetic and intuitive wisdom of the Divine Mother essence available to each of us. If you are looking for a sense of grounded connection and expression with support from others during these transformative times, come join me in this intimate, small group setting.

Cathy Black, M.A.

I have been exploring the world of meditation, energy massage and healing for over 34 years. A practice of personal energetic and intuitive attunement evolved from my healing work, the support of various teachers, and my own direct spiritual experience. Over the years, what evolved might be called an embodied spiritual pathway, where presence and intuition are lived as
