

Electronically File Court Documents Anytime, Anywhere with Odyssey eFileGA

ODYSSEY[®]
eFileGATM

Mandatory e-filing using Odyssey[®] eFileGATM in Fulton County Superior Court and Magistrate Court will be effective **October 5, 2015**.

Odyssey eFileGA allows users to open cases and file documents from a single website to many courts in Georgia from anywhere — 24 hours a day, seven days a week. Courts in multiple Georgia counties are collaborating to simplify e-filing in the state, and eFileGA provides one location for attorneys and courts to search for existing cases across counties. The system streamlines filing processes and eliminates the need to file paper documents at the clerk's counter.

Odyssey eFileGA benefits include:

- Enhanced and automated reporting and financial reconciliation
- Reduced average filing times
- Eliminated routine trips to the courthouse
- Increased access to file stamped copies of your court documents

Register at www.eFileGA.com to e-file.

Please be aware that there is a fee to e-file through this service.
