

GENERAL ASSEMBLY STATE OF ILLINOIS

October 22, 2014

Dear Alcott Community,

We are thrilled to announce that Alcott School has been awarded a \$750k Illinois Green Infrastructure Grant for its Field of Dreams project. A big thank you to Governor Pat Quinn for his commitment to our neighborhood schools, this wonderful project and all things green!

We would like to give special thanks for the tremendous advocacy of Alderman Michele Smith, who has been an incredible source of support from the beginning and continues to make our children's future a top priority.

This grant would not have been possible and without the hard work and commitment of the entire Alcott community - congratulations and sincere thanks to Principal Elias Estrada, the dedicated faculty and staff and the incredibly committed Alcott families for all you have done to move this project forward and make this grant a reality. *A very special thank you to the Field of Dreams Committee for your dedication and perseverance.* You are truly amazing!

Last but not least, please join us on Saturday, October 25th, at Alcott School beginning at 11:30 a.m. for an award and celebration ceremony for the \$750k grant for the Field of Dreams project from the Director of the Illinois Environmental Protection Agency. Refreshments will be provided.

Again, thanks for all you do for Alcott School!

Ann M. Williams
State Representative- 11th District

John J. Cullerton
State Senator- 6th District
Illinois Senate President
