

#1 School Community

Making Lincoln Park High School the #1Choice for our Neighborhood

Situation

- Tremendous growth in public and private school population in elementary schools in Lincoln Park neighborhood
- Over 20 public and private elementary schools in the general Lincoln Park area
- High school- aged population in 60614 increased 22% from 2000-2010
- Competition for high school selective enrollment seats has become fierce
 - 16,000 applications for 3,200 slots

Mission of LPHS Community Support Project

Educate

- Educate our community about the strengths of LPHS, including its academic and extra-curricular programs.

Engage

- Engage our community with LPHS - its activities, facilities and students

Support

- Support Lincoln Park High School in carrying out its Vision and Mission.

Community Project Strategy

Vision
