

New Student Recruitment

On January 12, Yavneh hosted its second annual Prospective Parent Coffee. Several parents from our partner schools, Levine and Akiba, as well as other private and public schools in the area, attended the event in Yavneh's library. Parents heard about the breadth of the curriculum as well as co-curricular activities at our school from our impressive faculty and staff. A group of remarkable Yavneh alumni (photo) spoke about their outstanding college preparation at Yavneh, highlighting their academic success as well as their many different activities at Yavneh which laid the foundation for even greater experiences in college. All spoke of the diversity of the student body and the warmth and kindness that pervades the school, enabling students to create friendships across grade levels and feel part of a genuine community. Alumni gave tours of the campus following the presentation.
