

From the Head of School ~ *Dr. David Portnoy*

Dear Yavneh Family,

This past Sunday marked, to the day, the ten-year anniversary of the original groundbreaking on our magnificent Schultz Rosenberg Campus. Under clear skies and beautiful temperatures, we were able to celebrate our inspiring school legacy and the bright future that undoubtedly lies ahead.

The day's events included a meaningful torch-lighting ceremony honoring our founders (in particular, the Schultz and Rosenberg families), our faculty, our board of directors, our PTO, our Federation partners, and our students and alumni - all of the people who have made and continue to make Yavneh the "School of Choice" for so many families in the greater Dallas Jewish community.

It was a wonderful opportunity to practice the ancient Jewish value of "Hakarat Hatov," expressing gratitude and appreciation for the vision and dedication of those who came before us, laying the fertile seeds that have enabled us to flourish as a school community.

Many thanks to all of you who attended – please check out some terrific photos from the day by clicking [here](#) and to see a wonderful video featuring the campus and it's spiritual architect, David Moss, click [here](#).

Shabbat Shalom and Go Bulldogs!
