

From the Head of School ~ *Dr. David Portnoy*

Dear Yavneh Family,

Welcome to our new Etone design, which we're hoping will make reading easier across a range of mobile and desktop formats. Please let us know what you think!

This week marks a truly historic time; **10 years on our magnificent Schultz Rosenberg Campus**, and I am hoping to see many of you on Sunday. In preparation of this early Thanks-giving ceremony, please enjoy the inspiring words of **Jay Kleinman, our Board Chair**:

“Vision is defined as unusual competence in discernment or perception; intelligent foresight. **Courage** is defined as the state or quality of mind or spirit that enables one to face danger or fear with self-possession, confidence, and resolution. When the two come together at one time, driven by leaders with unconditional love for education, Judaism and the ability to rally a community, **The Schultz-Rosenberg Campus** for Akiba and Yavneh Academies is born.

We celebrate the 10th anniversary of such vision and bravery. We celebrate two **nationally recognized, thriving Jewish day schools** that offer facilities and infrastructure that rival other private school campuses. We celebrate the future of our current students and the success of our graduates...who had an environment that promoted of **love of learning and a passion for Judaism**. On behalf of the board of directors, students, faculty and administration of Akiba and Yavneh, welcome to

this celebration. May it be the first of many decade milestones we'll celebrate together.”

Please be sure to join us on Sunday to celebrate the extraordinary founders of our campus!

Shabbat Shalom and Go Bulldogs!
Dr. P
