

AP Testing Schedule-REGULAR EXAMS

Students taking the regularly scheduled AP tests will begin testing 8:45 A.M. with the exception of the afternoon test of Physics C: Mechanics (see below) on Monday, May 9. All testing will take place downstairs in the Physics and Chemistry labs (801 and 803). It is important that students **be in the room ready for testing** at that time. Please **There will be no late entry**. The complete list of students and the dates for each test will be posted on the counselor's bulletin board outside room 907.
