

Did you know?*

- Approximately 1 in 4 employees are in serious financial distress.
- On average, 80% of these individuals spend time at work dealing with their personal financial problems, wasting anywhere from 12-20 hours per month.
- This loss of productivity is estimated to cost employers \$7,000/employee/year.

Can you imagine the impact this has on your company's workflow and the quality of work?

We can help. Primerica is a company that prides itself on educating "Main Street" men and women on how money works and how to make their money work best for them. From teaching how to reduce debt to how to increase savings to making sure families are properly protected with life insurance, Primerica helps people get back on financial track each and every day.

We would like to conduct a complimentary educational financial workshop at your workplace. We offer presentations on:

- How Money Works
- Life Insurance Debt
- Solutions
- Retirement Savings
- Long Term Care ... and More!

For more information on our company, our complimentary financial workshops and to view a sample presentation, visit www.primericaworkshops.com.

If you have any questions please call me at 405-664-6404.

Sincerely,

Alexander J. Montgomery III
Division Leader
