I am Katie Ridder, a 7th grader and a Girl Scout Cadette in troop 456. I am organizing a Locks of Love hair drive within our area. Locks of Love is a nonprofit organization that makes custom wigs, from real hair, for financially disadvantaged children who have long-term medical hair loss. I am running this hair drive for my Girl Scout Silver Award because, like Locks of Love, I believe that no child should have to feel self-conscious about losing their hair. While the drive won't take place until March 2016 (more details to follow), I'm letting people know to start growing their hair out now so they can plan to participate, as the minimum hair donation is 10 inches. I'm taking sign-ups now so that I can pass along information to interested people, and if you would like to participate, please sign up below with your name, troop number, and an email or phone number I can use to give you information regarding the drive. If you have any immediate questions please contact me at LOLhairdrive@Gmail.com. Thanks for your support and consideration! Katie Ridder
