## ISD Kindergartners Celebrate 100th Day of School

Kindergartners at the International School at Dundee (ISD) celebrated their 100th day of school by donating food items to Greenwich's Neighbor to Neighbor. Each year, the school's three kindergarten classes each collect 100 food donations for the local charity, in celebration of the 100th day milestone and in connection with their International Baccalaureate "Caring" Learner Profile, which emphasizes care for community and neighbors.

Left to right: ISD Kindergartners Loraine Vargas, Dario Abbate, Eve Woodward, Sebastian Guico and Kareena Kumar donate books, food and toys to Greenwich's Neighbor to Neighbor in celebration of their 100th day of elementary school.
