Welcome to the **2015 Summer Service Challenge**! This summer, we are focusing on growing in our relationship with God as we share our love for Him with our neighbors, families and friends. Our goal is to be intentional about reaching out to serve one another and follow the example that Jesus set for us. Read over the list below and track your progress by checking off the chart on the back. As the rest of the world slows down this summer, let's take the opportunity to center ourselves in Jesus Christ and try new ways to share his light and love with the world around us. If you have any questions, contact Cameron Smith or Duncan Meadows (795-3111).

Putting our Neighbors First — Put your faith in action by helping a friend or stranger as you share God's love. Here are some ideas: clean out your closets and donate the items you do not need, do yard work for a neighbor or family member, bring a meal to someone who's sick, buy lunch for a stranger, read a book to a child, sign up to be a volunteer for your local school, make a gift for someone you love, write an encouraging note, help clean up the church's buildings and grounds, volunteer at the animal shelter—the list is as limitless as your imagination!

Read a Spiritual Book—There are many great books that can challenge you to think about your faith. What areas of theology, ministry, or your relationship with God need further study?
